

Who We Are

Alliance Physical Therapy and Wellness is a group of not-for-profit outpatient rehabilitation services clinics. We have sites in Quincy, Marlborough, and Baldwinville, Massachusetts. We are planning several additional clinic openings throughout the next two years.

Our Mission

Our mission is to offer a broad spectrum of one - to- one physical, occupational and speech therapy services for the active adult. Alliance offers newly renovated spaces designed to keep clients safe while providing state-of-the-art clinical services. Pro Bono Services are available as needed.

Who We Serve

Often people become deconditioned and need to regain function after an illness or injury. If you want to remain active in your community, thrive in your home, and be as independent as possible, contact us today to schedule your appointment for customized evaluation the treatment.
